

YA

Series Yagi Antenna

This Yagi antenna is designed for 2.4GHz long distance communication. It features high gain, broadband and good F/B ratio. Robust sealed PVC housing provides good wtaer proof performance suitable for harsh enviromental application

Part No.	YA2400-25S-15N
Frequency Range	2400MHz~2483MHz
Bandwidth	83 MHz
Gain	15dBi
Vertical Beamwidth	25°
Horizontal Beamwidth	25°
F/B ratio-dB	≥ 18
Impedance	50Ω
VSWR	≤1.5:1
Maximum Power	100 W
Connector	N-Female
Polarization	Vertical or Horizontal (Customized production)
Dimensions	0.7mm
Weight	1Kg
